

## SDG1 (No Poverty)

### Metrics and indicators

#### 1.3 University anti-poverty programmes

##### 1.3.1. Targets to admit students from the bottom two financial deciles

The university supports 7.9% of the bottom two financial deciles. 787 students received scholarships with a tuition fee reduction of 100%. Furthermore, 830 students were given tuition fee instalments to help them deal with financial difficulties. Finally, the Student Welfare Committee provided a 10-15% discount to 371 students.

The bottom financial quintile admission target approached 1988 students in 2020-2021 as follows:

#### Financial support for 2020-2021

Serial	Type of support	Number	Description
