

CONFERENCE PROGRAM

DAY 1

SATURDAY (27.10.2018)

8:00-9:00				REGISTRATION			
9:00-10:00				OPENING CEREMONY			
		Prof. Dr. Mohamed El-Azzazi President, Misr University for Science and Technology (MUST), Egypt		Prof. Dr. Amr Bastawisy Vice President for Medical Sector, General Director University Hospital, MUST, Egypt		Prof. Dr. M. Mohsen Ismail Dean, College of Pharmaceutical Sciences and Drug Manufacturing, MUST, Egypt	
10:00-11:00				PLENARY SESSION			
		10:00-10:30 Prof. Dr. Magid Abou-Gharbia Associate Dean for Research, Medicinal Chemistry, Temple University, USA		Drug Discovery Then and Now: The Road to Personalized Medicine			
		10:30-11:00 Prof. Dr. Schwinghammer Professor Emeritus of Clinical Pharmacy, West Virginia University, USA		Pharmacy Practice in the 21st Century: What Does the Future Hold?			
11:00-12:00				Coffee Break and Poster Session			
12:00-1:00				SESSION 1: Pharmacy and Medicine Optimization			
		12:00-12:20 Prof. Dr. Overhosler Associate Professor of Pharmacy Practice, Purdue University, USA		Overcoming the Gap between Science and Practice to Enhance the Delivery of Precision Medicine			
		12:20-12:40 Prof. Dr. Nirmeen Sabry Professor of Clinical Pharmacy, Faculty of Pharmacy, Cairo University, Egypt		Taking the Egyptian Hospital Pharmacies to the International Standards Level			
		12:40-1:00 Prof. Dr. Amr Saad Founder of Egyptian Pharmaceutical Vigilance Center, Egypt		Excellences in Pharmacovigilance			
1:00-2:00		WORKSHOP 1 Ministry of Health, CAPA Modern Pharmacy Specialties "more integration into health care system"		Panel Discussion Pharmacy and Medicine Optimization			
1:00-1:40				SESSION 2: Biosimilarity and Bioequivalence			
		1:00-1:20 Prof. Dr. Mina Tadrous Vice Dean, Professor of Pharmaceutics, Faculty of Pharmacy, Cairo University		Biosimilarity and Bioequivalence of Pharmaceutical Products			
		1:20-1:40 Dr. Hanan Amin Rizq General Manager Registration Department, Ministry of Health, Egypt		Drug Registration Policy and Regulations in Egypt			
2:00-3:00				SESSION 3: Interprofessional Education and Integrated Learning			
		2:00-2:20 Prof. Dr. Azza Agha Professor of Pharmacology & Toxicology, Faculty of Pharmacy, Cairo University		Pharmacy Graduates Competencies and Tools to Assure Implementation			
		2:20-2:40 Prof. Dr. Douglas Steinke Senior lecturer of Pharmacoepidemiology and Pharmacy Practice, Manchester, UK.		Integrated learning and Inter-professional Education (Future, Benefits and Limitations)			
		2:40-3:00 Dr. Kathryn Davison Principle Lecturer of Pharmacy Practice & Clinical Therapeutics, Sunderland, UK		Future and Innovative Teaching and Educational Styles for Pharmacy Students			
3:00-4:00				Lunch Break			
4:00-5:00		WORKSHOP 2 General Pharmacy Syndicate Electronic prescriptions establishment and scientific name prescription writing "Challenges & Opportunities"		Panel Discussion Future Educational Approaches			
5:00-5:30				Coffee Break			

DAY 2**SUNDAY (28.10.2018)****9:30-10:30****SESSION 1: Research Innovations**

9:30-9:50

Prof. Dr. Ashraf AbadiProfessor of Pharmaceutical Chemistry,
German University in Cairo, Egypt**Innovation in Drug Design**

9:50-10:10

Prof. Dr. Ahmed FaheemSenior Lecturer of Pharmaceutics, School
of Pharmacy, Sunderland University, UK**Printable Customized Tablets: Is it the Next Big
Thing in Personalized Medicine?**

10:10-10:30

Prof. Dr. Ibrahim ElsherbiniProfessor of Nanomaterials and
Nanomedicine, Zewail City, Egypt**Overview of Smart Nanomaterials for Advanced
Pharmaceutical and Biomedical Applications****10:30-11:30****Coffee Break and Poster Session****11:30-12:30****SESSION 2: Treatment Innovations**

11:30-11:50

Prof. Dr. Hosam MowafyProfessor of Critical Care and Internal
Medicine, Cairo University, Egypt**Recent and Innovative Management of Hepato-
Renal Syndrome**

11:50-12:10

Prof. Dr. Wahid DossProfessor of Gastroenterology and
Hepatology, Cairo University, Egypt**Innovation in Treatment of Hepatitis-C in Egypt.
"My Experience"**

12:10-12:30

Prof. Dr. Hassan MetwallyProfessor of Oncology and Nuclear
Medicine, Menoufia University, Egypt**Innovations in Cancer Treatment with Emphasis
on Liver Cancer****12:30-1:30****WORKSHOP 3****International Pharmaceutical Federation (FIP)**
International Advances in Pharmacy Practice**Panel Discussion**

Research and Treatment Innovations

1:30-2:30**Lunch Break****2:30-3:30****SESSION 3: Pharmacoeconomics**

2:30-2:50

Dr. Mahmoud MahdawyPresident, ISPOR Egypt & Head of ISPOR
Africa Network, Market Access Director**Pharmacoeconomics and Resource Allocation**

2:50-3:10

Dr. Gehan AlsisiFounder and Head of Pharmacoeconomic
Unit, Ministry of Health, Egypt**The Value of Innovative Treatments: Are They
Cost-Effective**

3:10-3:30

Dr. Soheir Abdel-HamidPresident of Health Insurance
Organization, Egypt**Future of Health Insurance in Egypt****3:30-4:30****WORKSHOP 4****World Health Organization (WHO)**
Innovation and Changing of Cancer Future**Panel Discussion**

Pharmacoeconomics

4:30-5:00**CLOSING and RECOMMENDATIONS****5:00-5:30****Coffee Break**<http://icps.must.edu.eg>
