11.4 Sustainable practices

11.4.4 Affordable Housing for Staff, Employees and Students

The General Department of University Housing at MUST plays a pivotal role in creating a conducive environment for both students and employees, fostering a healthy social and academic atmosphere. Since the university's inception, the department has been dedicated to selecting suitable housing locations close to the campus and furnishing them with comfortable furniture. This service is accessible to a diverse range of individuals, including staff, employees, foreign students, Egyptian students residing abroad, and exchange students, all aimed at simplifying their on-campus living experience. These housing locations are equipped with essential facilities and services, while the provision of 19 buses ensures convenient transportation in Cairo, enabling easy commuting to and from the campus throughout the day. This commitment to accommodation and transportation underscores the university's commitment to supporting its community and facilitating their needs.

Services provided by the Department:

- Hotel rooms for the accommodation of male and female students.
- Cleaning services on a daily basis.
- Maintenance work throughout the day for resident students.
