17.4 Education for the SDGs.

17.4.1 Education for SDGs commitment to meaningful education

In 2022, our university demonstrated a steadfast commitment to delivering meaningful education that integrated and aligned with the Sustainable Development Goals (SDGs), making it both relevant and applicable to all our students.

A significant contributor to this mission was the pivotal role played by the [Equal Opportunities and Gender Equality Unit](#). This unit reinforces the university's role in raising educational awareness among the youth regarding equal opportunity and fosters the values of co-equality and non-discrimination across diverse segments of society.

Initiative on breast cancer awareness

The Support Unit for Students with Special Needs is a cornerstone of our university's commitment to inclusive and equitable education, aligning with the Sustainable Development Goals (SDGs). This unit plays a vital role in reducing inequality and enhancing the quality of education by providing tailored support and resources, ensuring that students with special needs enjoy equal access to academic opportunities. In addition to supporting these students, the unit actively promotes educational
