

POSTER GUIDELINES

POSTER PRESENTATION:-

- All posters of accepted abstracts should be rolled up in the designated area between 1 pm- 2 pm on September 29, 2024 for undergraduate's presentation.
- Authors should be available in the designated area 10 minutes before the start of their poster session and attend the whole poster session to answer questions, elaborate on the content and take part in discussions and must be wearing the official conference badge.
- Accepted abstracts will be grouped by topic. The author will be notified by the code number of his poster via e-mail.
- One certificate will be granted for poster activity participation to the presenter with all authors' names written down on the poster.

POSTER PREPARATION GUIDELINES (Postgraduates and undergraduates students):-

- All texts on the poster should be in the English language.
- Size of the E poster: the minimum recommended size (format HxW) is 1225x 2000 pixels, and the maximum is 2250x 4000 pixels, DPI 300 pixels/ inch.
- Layout: landscape
- At the top center of each poster you should post a label stating the title (AS ORIGINALLY SUBMITTED IN ABSTRACT, First Author (ID), Second Author (ID), Third Author (ID), Name of Supervisor(s), Department Name & Code, College, University and country.
- The poster should include an introduction, purpose, methods, and results, as well as illustrations (e.g., figures, tables), conclusions and recommendations, acknowledgments (if applicable), and references.
- The poster must be provided with a QR code indicating the authors' details (name, affiliation, email, and mobile no)
- You can use the provided link to get the poster template.

The deadline for receiving all posters as soft copy is 10/9/2024
